

Gift Certificate Fundraiser Program

Van Atta's offers fundraising opportunities to schools and other non-profit organizations through a gift certificate sale program. Approval of each program will be at the sole discretion of Van Atta's management.

Organization criteria: Must be a non-profit organization, and have a clear purpose for the fundraiser. e.g.: Band raising money for equipment or group raising money for a gardening project which is clearly defined.

Parameters: Organizations can issue gift certificates in denominations of \$25 only. The organization will take orders for the gift certificates with payment at time of order and present Van Atta's with an itemized total of gift certificates needed, with total payment. Van Atta's will then issue a check to the organization for 15% of the total sold as a donation. Van Atta's has put a cap of \$10,000 worth of gift certificates per year, per organization, with \$1500 issued back as our donation. There must be a pre-determined time frame for certificate sales, and the gift certificates will expire 6 months from date of issue.
